COVER

Congratulations to Grace Knight on winning the Bindoon Show's Schedule Cover Competition that was open to primary school age students. The prize is to have their art work appear on the front cover of the Show Schedule and \$20 to spend at the Show.

Thanks for all your amazing entries!

Welcome from the President and Committee of the *Bindoon & Districts Agricultural Society*

Welcome to this year's Show!

We're incredibly proud to once again bring our community together to celebrate the heart of our region, our people, our produce and the country spirit that makes this place so special. Whether you've been coming to the Show for years or you're joining us for the very first time, the BADAS committee and its members welcome you

Looking back at the 2025 Show, it was by all accounts the biggest show yet with over 5,000 visitors for the day. We were a little nervous with the weather first up in the morning, but it turned out to be a beautiful spring day.

The monster truck was a favourite with the youngsters again, along with the side show and other free entertainment for all. We had around 3,500 people at the fun filled rodeo that rounded out the day.

In 2026 our members are all putting in the extra yards, despite the current financial strains we are all experiencing, determined to uphold the BADAS tradition of providing an affordable family fun day for all ages.

We are so extremely grateful to each of our generous sponsors as there would be no event without their support.

There would also be no event if it weren't for the dedication of the committee, all the members and amazing people in our community who all freely volunteer their time and effort to help set up, coordinate, deliver and pack up the event. This community spirit is the foundation of the Bindoon and Districts Agricultural Society.

We hope you enjoy everything the day has to offer, make some wonderful memories and leave with an even greater appreciation for the people and traditions that make our community unique.

Thank you for being a part of another unforgettable Show.

Mark Kay

President

A Tribute to Ernie Parkinson

*from the President and Committee of the
Bindoon & Districts Agricultural Society*

The Bindoon and Districts Agricultural Society would like to pay tribute and honour one of the Society's greatest legends, life member Mr Ernie Parkinson, who recently passed away aged 95.

Ernie and his wife Pat, our first life member, have given a lifetime of volunteer service to BADAS. Ernie has been a steward in several classes, and his knowledge of citrus was second to none. We have all learnt so much from Ernie as he would soon tell us if we were putting up the marquee up the wrong way or in the wrong place.

In later years Ernie would bring his little tractor over and help us move our equipment around. His presence was inspiring to us all.

We are all heart broken at BADAS, as are Ernie's family and our community as a whole.

As the President of the Society, I have grown up in this community and know each and everyone of our life members. I am truly humbled to be the president of an organisation with such a high calibre of life members like Ernie, which have given so much for our amazing community.

We will miss you forever. Rest in peace Ernie.

Judging tips:

- Crochet work should be neat, clean and well pressed with good shape and proportion.
- Use a suitable thread ply for design and purpose
- Use firm even tension so that design holds its shape. Firm, strong inconspicuous joins; flat, strong elastic side seams; match patterns at seams; display a variety and degree of difficulty of stitches.
- Make joins at beginning of work and ends darned in vertically not across the work.
- Cotton should be blocked, dampened and pinned out to size or shape and left to dry.
- You may use a larger hook for initial chain to keep tension loose and elastic.
